

We acknowledge that we are meeting on the traditional lands of the Peramangk and Kurna people and we recognise their connection and continuing importance with the land. As we move into our 2108 SACPPA Conference this afternoon we acknowledge and respect the spiritual relationship that these people have had with this land and the importance it has to Aboriginal people past and present.

SACPPA Conference 2018

Acknowledgement of Country

Global Leaders, Capable Minds,
Thriving Hearts
