

# SACPPA Conference Workshop Notes

**Name of Workshop/Keynote Session:** The Pedagogy of Space

**Session:** Design and Learning with Mary and Clare

## **3 key issues:**

Challenges of the lexicon – differences in language and understanding

Changing the physical environment by itself does not solve the problem

Depth of curriculum – focus on specific that allows exploration

## **Questions for Roundtable Session:**

xxxx

## **General Notes:**

Acoustics

ICT

Furniture

Multisensory and aesthetic learning

Experience surrounded by activity, relationships, environment and time
